

Capitalize on this.

Lynn is one of the only schools in the world that offers a major specific to wealth management. Are you ready to join us?

### About Lynn

Lynn University is one of the most innovative, international and individualized small universities in America. We are a young and forward-thinking organization located alongside South Florida's booming business centers and beautiful beaches, and we are focused on one thing: **preparing students for success.**

Our professors concentrate on the art of teaching—making good students great and great students remarkable.

Our award-winning, tablet-based learning initiative puts a transformational learning companion into the hands of students.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

UNIVERSITY

## Invest and develop

Learn to grow business portfolios through practical, hands-on experience.

**COLLEGE OF BUSINESS AND MANAGEMENT**

Investment Management (B.S.)

### Turn out a profit

An interest in finances, wealth and economics can lead you to a very lucrative future—especially when you develop that interest through the hands-on investment management courses available at Lynn.

Here, you'll study the crests and troughs of the financial world. You'll learn to evaluate risk and predict opportunities for advancement. You'll even work with and learn from top technologies, including market simulations and a Bloomberg terminal.

Your Lynn professors are more than just teachers, too. They're experts in the field, with top-level management experience in various businesses, both public and privately-owned. They have managed large company portfolios valued at over \$500 million... so you know class discussions will be based around real-world situations.

### Growth potential

Combined with the experience you'll gain at Lynn, your degree in investment management will open your future up to a wide array of career prospects, including:

- private banker
- investment banker
- wealth manager
- stock broker
- trading desk trader
- bank executive

We are focused on one thing:  
Preparing students for success.

### Cultivate a network

After graduating from Lynn, you'll join a pool of established and highly successful investment management alumni. Past graduates have used their Lynn education and experience to collaborate with companies including:

- Banyan Capital Management
- Maclendon Wealth Management
- HSBC
- Banco Bilbao Vizcaya
- Ernst and Young
- Morgan Stanley
- Smith Barney

### Seize this opportunity

Professor Jose Lopez is happy to answer any questions you may have about the investment management curriculum. **Call or email him at 561-237-7001 or [jlopez@lynn.edu](mailto:jlopez@lynn.edu).** (Ask him about his experience as vice president of his own family business!)
