COLLEGE OF BUSINESS AND MANAGEMENT

Marketing (B.S. and MBA specialization)

Enhance your capabilities

The general umbrella of marketing incorporates a wealth of business strategies. It can include producing fliers, running TV commercials and encouraging word-of-mouth advertising. It can also be a more defined science that examines website performance, market research and client behaviors.

At Lynn, you'll study all of those areas. You'll assess trends in online marketing—a field critical in today's business world—and because of Lynn's multicultural makeup, you'll gain a global perspective at the same time.

All along, you'll grow your professional network during each class you take, with marketing experts as professors. They'll provide helpful tips and advice from the field as you work on projects designed to build both your expertise and your portfolio.

Initiate a promotion

From the sales perspective, a promotion can attract great new business... but from your perspective, a promotion can take you to incredible new places in your career. Your new marketing degree can earn specialist, manager or director-level roles in:

- marketing
- advertising
- project/brand management
- social media marketing
- sales

Branch out

Lynn graduates have taken their marketing degrees and done amazing things with them—and we know you'll do the same. As a Lynn alum, you'll join the ranks of our previous grads, who have gained employment with such big-name brands as:

- Elite Island Resorts
- Freedom Steel
- Jarden Consumer Solutions
- Vida Jets
- Native Remedies
- Test Medics
- THELAW.TV
