

LYNN  
UNIVERSITY

After graduating from this dynamic degree program, you can gain certification in elementary education with endorsements in ESOL and reading...

...That qualifies you to teach grades K-6 at any school in the state of Florida.

#### About Lynn

Lynn University is one of the most innovative, international and individualized small universities in America. We are a young and forward-thinking organization located alongside South Florida's booming business centers and beautiful beaches, and we are focused on one thing: **preparing students for success.**

Our professors concentrate on the art of teaching—making good students great and great students remarkable.

Our award-winning, tablet-based learning initiative puts a transformational learning companion into the hands of students.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

### Get ready to join the advanced class

Our experienced faculty will transform you into an education professional.

Take notes from our highly acclaimed curriculum, and design your own attention-grabbing lessons. Better yet, begin developing your teaching style with real classroom teaching experience in every course you take.

Plus, you can complement your degree with one of two optional specializations. A specialization in Independent Schools Elementary Education will provide experience in both independent and private schools and a unique qualification to obtain a position in those areas. Or, take a specialization in Exceptional Student Education that prepares you to teach in a diverse classroom setting, such as an inclusive class.

### Careers to fit any subject matter

The field of education is a pillar in the U.S. economy, and qualified teachers are always in demand. In our program, you'll put your studies into practice. And after graduation, you'll be confident in K-6 coursework and teaching methodology, and you'll be ready for amazing careers like these:

- elementary classroom teacher
- resource teacher
- clinical education mentor (after three years of teaching)

We are focused on one thing:  
Preparing students for success.
