

LYNN  
UNIVERSITY

Enhance your career—and your earning power—with the new leadership skills and knowledge that a master's in educational leadership can provide.

### About Lynn

Lynn University is one of the most innovative, international and individualized small universities in America. We are a young and forward-thinking organization located alongside South Florida's booming business centers and beautiful beaches, and we are focused on one thing: **preparing students for success.**

Our professors concentrate on the art of teaching—making good students great and great students remarkable.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

## Let's get started

Are you ready to advance your career and earning potential? It's time to enhance your professional growth with a master's degree in educational leadership.

You'll love learning in our convenient online program. It's perfect for busy professionals like you who aspire to leadership positions in education.

In our program, you'll explore:

- theory of educational leadership
- laws and rules governing educational institutions
- ethical issues and implications
- data analysis for decision-making and school improvement

Throughout, you'll have ample opportunities to meet face-to-face with faculty and your classmates. That means as you learn, you'll develop strong collaboration skills and professional connections that will last a lifetime.

Our program is state-approved and allows for certification in educational leadership through the Florida Educational Leadership Examination (FELE).

## Step up to new opportunities

Your new degree, combined with your passion for leadership, can open doors to amazing careers like these:

- principal
- vice principal
- district administrator
- curriculum specialist
- director or supervisor

## Well done, graduates!
