Lynn will help turn your passion into your success story.

Our digital media graduates have started careers and earned promotions in companies both national and international.

Are you ready to join them?

About Lynn

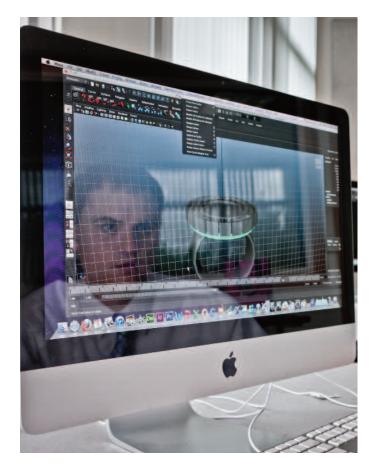

Lynn University is one of the most innovative, international and individualized small universities in America. We are a young and forward-thinking organization located alongside South Florida's booming business centers and beautiful beaches, and we are focused on one thing: **preparing students for success**.

Our professors concentrate on the art and science of teaching—making good students great and great students remarkable.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

Round out your resume

Enhance your talent and ability with a graduate certificate in digital media from Lynn. Or, earn a master's in communication and media with a specialization in digital media. Use social media, video production, journalism and video editing techniques to create persuasive messages that target distinct audiences and generate real results. Then, reinforce your work with the latest design software to take your messaging to an entirely new dimension.

All our professors have amazing experience in the world of print and broadcast communication. Collectively, their experience includes work with organizations including American Media Inc., *InStyle* magazine, the Oprah Winfrey Network, Volcom Clothing, and additional national and international radio and television programs. They've worked in all fields of digital media, from film and photography to mixed media and computer art and animation.

What will you create?

The digital media programs offered at Lynn consistently produce successful and highly skilled professionals. With a graduate certificate in digital media, you'll hold the qualifications necessary to achieve such roles as:

- page layout designer
- · freelance advertising and design consultant
- general media production
- web/social media content manager
- video production designer/editor

Or, earn a master's in communication and media with a specialization in digital media and your opportunities could include:

- art director
- advertising/public relations/marketing agency executive
- public relations specialist
- nonprofit organization director
- event planner
- media specialist

Special effects

Our digital media alumni are doing incredible things with the knowledge they've gained. Our graduates have started careers with:

- CNBC, WCBS-TV and NFL Films
- Elite Marketing Strategies
- Dew Imagery and Design
- Littles Photography
- Verizon Wireless

Roll the credits

Professor and communication and media program coordinator Valeria Fabj is happy to answer any questions you may have about the digital media curriculum. **Call or email her** at **561-237-7794** or **vfabj@lynn.edu**. (Ask her about the many articles she's published in major national and international communication journals!)

Or reach out to our Office of Admission at: admission@lynn.edu 561-237-7900 lynn.edu/admission

We are committed to staying ahead of the curve in the field of communication, anticipating the needs of the industry and providing our students the skills they will need upon graduation.
