

Create social change

Earn your MBA in social innovation management with Lynn University and tackle 21st-century challenges.

This social innovation program is designed to equip leaders with the knowledge, insights, and skills to drive positive social change—no matter which sector. If you're passionate about social impact, plan to create or work within a social enterprise, be part of a B Corporation movement or lead an international non-governmental organization, the MBA in social innovation management is a great place to start.

Not only will you gain business and management skills while studying for your MBA, but you'll also have the opportunity to attend a program with an approved international partner. In the partner program, you will obtain intensive global experience in cross-boundary work while training with master practitioners.

What you'll learn in the social innovation program

- Leadership and management skills
- Measuring social impact
- Creating and managing a social venture

About Lynn

Lynn University is one of the nation's most innovative and global universities. Located in Boca Raton, Florida, alongside booming business centers and beautiful beaches, we are focused on one thing, **preparing students for success.**

Our professors concentrate on the art of teaching – making good students great and great students remarkable.

Our award-winning iPad®-powered learning puts a transformational learning companion into the hands of students.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

We are focused on one thing: Preparing students for success.
