

## Turn a creative idea into a successful venture

Advance your career and enter the exciting world of entrepreneurship with your MBA in entrepreneurial management. Get inventive through real-world, in-class case studies and role play, internships and entrepreneurial contests. Take an idea for a new product or business, research that idea and develop a pitch (think *Shark Tank*) to help introduce it to investors and the marketplace. Have work and family obligations? This program is also offered online—giving working professionals like you flexibility and convenience.

In this advanced entrepreneurial management program, you'll find the methods and means of financing entrepreneurial ventures, creating real business plans and working on field projects to enhance your entrepreneurial skills.

## What you'll learn in the MBA in entrepreneurial management program

- Launch innovative ideas
- Identify business opportunities for innovation and creative ideas
- Become skilled at promoting a culture of innovation in startup or existing businesses

“The faculty is what sets Lynn apart. Small class sizes aren’t a gimmick here—they're the places where you’ll receive opportunities that’ll jumpstart your future.”

**Shawn Johnson '19 '21, MBA, communication specialist, Florida Power & Light**
