

Empower yourself

As a student of the exceptional student education (ESE) program, you'll be guided by expert faculty as you study diverse theories and engage in discussions regarding federal, state and local governances in special education. Plus, you'll learn how to develop and implement strategies to assist students with various learning differences. After graduation, you can go on to become a special education teacher or pursue a high-level career as a director of exceptional student education.

This program is certified by the Florida Department of Education. Students who pass certification courses will be endorsed in reading, English speakers of other languages and autism spectrum disorders. In this program, you have the option of online, blended or on-campus learning.

Quick facts about the exceptional student education program

In the exceptional student education (ESE) program, you will learn proactive behavior strategies for students with disabilities and instructional leadership for special education. You will also learn:

- Methods for various content areas
- Various methods of classroom behavioral management
- Multiple layers of student needs

“Lynn University's College of Education has helped me grow into the teacher I dreamed of becoming.”

Marissa Miscioscia '23 and class of 2024, M.Ed. in exceptional student education

About Lynn

Lynn University is one of the nation's most innovative and global universities. Located in Boca Raton, Florida, alongside booming business centers and beautiful beaches, we are focused on one thing, **preparing students for success.**

Our professors concentrate on the art of teaching – making good students great and great students remarkable.

Our award-winning iPad®-powered learning puts a transformational learning companion into the hands of students.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

We are focused on one thing: Preparing students for success.
