

Where science meets business

Ready to advance your career in healthcare management? Now that you've earned your bachelor's, you can work toward boosting your current role or even start a new one. With an MBA in healthcare management, you'll gain an even deeper understanding of industry-specific issues and challenges.

You'll gain a firm foundation in leadership and management, financial management, managerial accounting and strategy. In this healthcare management program, you'll expand your knowledge of the healthcare industry and enhance your skills in order to transition to leadership and managerial roles in healthcare. And, as a complement to your studies, you will take specialized courses in health care administration, health insurance and ethics. Have work and family obligations? This program is also offered online—giving working professionals like you flexibility and convenience.

Quick facts about the healthcare management program

The healthcare management MBA program provides you with advanced leadership and business strategy skills. Explore more key takeaways you'll gain.

- Study advanced leadership and business courses
- Get advanced knowledge of the U.S. healthcare system
- Learn accounting, finance, marketing, operations and strategy to help you transition to a leadership role

“I met my mentor at Lynn, someone I look up to academically and personally. I learned more in a year at Lynn when I went for my masters than any other time at a college.”

Max Agosta '16

About Lynn

Lynn University is one of the nation's most innovative and global universities. Located in Boca Raton, Florida, alongside booming business centers and beautiful beaches, we are focused on one thing, **preparing students for success.**

Our professors concentrate on the art of teaching – making good students great and great students remarkable.

Our award-winning iPad®-powered learning puts a transformational learning companion into the hands of students.

And our graduates? They've gained the intellectual flexibility and global experience to take the lead in an ever-changing world.

We are focused on one thing: Preparing students for success.
