

Motivate, engage and empower people

The MBA in human resource management program provides you with a solid foundation in advanced business and management with a specialization in human resources. Earn your MBA degree at Lynn University and prepare for a variety of human resource jobs. Have work and family obligations? This program is also offered online—giving working professionals like you flexibility and convenience.

With Lynn's MBA program, you'll gain a broad education in human resource management—from employee retention to financial administration. You'll also explore mergers and acquisitions, plus a range of labor laws and occupational safety and insurance regulations. With the instruction and training this MBA program provides, graduates can go on to work in senior- and executive-level human resource jobs. Students of this program have the opportunity to earn a SHRM-CP credential, which provides career advantages. The certification is typically reserved for only those who have professional experience in the HR field.

What you'll learn in the human resource management program

- Recruiting, training and managing talent in organizations
- Managing a diverse global workforce
- Developing your career path in human resource management

“I found a university that perfectly fit me both as an individual and as a student. Also, having a large international student community makes it feel like a home away from home.”
